THE MPA FUND & DESIGNATED GIVING

Generosity fuels what is possible at MPA. Gifts to the MPA Fund and designated priorities provide resources beyond tuition, allowing MPA to respond to the needs of today while investing in the opportunities of tomorrow.

Through the support of our community, MPA is able to strengthen academic and co-curricular programs, enhance learning spaces, support exceptional teaching, expand access through tuition assistance, and create meaningful experiences for students across every division. Many donors also choose to direct their giving to areas that hold special meaning to them, from academics, athletics, and the arts to specific programs, spaces, and initiatives. No matter where a gift is directed, it is an investment in our students and the people and programs that surround them.

Together, this generosity creates more opportunities for students to discover their passions, challenge themselves, find belonging, and imagine what is possible. We are deeply grateful to everyone who invests in MPA and the bright, bold futures of our students.

VOLUNTEERS

Thank you to the following volunteers who generously shared their time, talents, and energy with MPA throughout the year. From supporting events and activities to serving on committees, welcoming families, strengthening community connections, and lending a hand wherever needed, our volunteers help bring the MPA experience to life. We are deeply grateful for the many ways they show up for our students, faculty, staff, and community.
